FLORIDA PANTHERS FOUNDATION

Vision
To make a positive philanthropic impact on South Florida community and beyond.

Mission
The Florida Panthers Foundation was established to benefit the South Florida community by focusing on four priority areas: building the game of hockey for children and youth, supporting health and education initiatives for children, advocating for and supporting veterans' issues, and raising awareness about the endangered Florida Panther.

Who We Are
The Florida Panthers Foundation serves as the team's main charitable beneficiary. Re-introduced in the middle of the 2013-14 season under the ownership of Mr. Vincent Viola and Mr. Doug Cifu, the vision of the Florida Panthers Foundation is to make a positive philanthropic impact on the South Florida community and beyond. Through partnerships, grants, and community programs, the Foundation will focus on four priorities, including youth hockey, children and youth, veterans and the endangered Florida panther.

The Panthers Foundation raises money through various fundraisers and in-game initiatives, including the 50/50 Raffle, jersey and memorabilia auctions, "Puck for a Buck", outside events and other opportunities to engage fans in support of the Foundation. Through the Foundation, the Florida Panthers looks to support exemplary South Florida nonprofit organizations that help make a positive impact in the local community.

Philanthropy
Giving back to the community is the Foundation's #1 priority. As such, the Panthers Foundation is pleased to launch the Community Champions Grant Program for the 2016-2017 season, which allows charitable organizations throughout South Florida to request financial support for programs and initiatives that are benefiting our community. At each of the 41 home games throughout the season, the Foundation will recognize and award one grant for up to $25,000 to a local organization.

Scoreboard Messages/Zamboni Rides
Fans are able to donate to the Foundation by purchasing a scoreboard message or a Zamboni Ride during any Florida Panthers home games. Inflatable rides, video games, DJ and potential live music performances, and vendor village.

PANTHERS IN THE COMMUNITY

Youth Hockey
The Florida Panthers continue their growth in the South Florida community. The Florida Panthers are in their third season of their Learn to Play program with the goal of teaching the game of Hockey to those who have never had a chance to play. As part of a partnership with the NHL and NHLPA to fit 400 children in South Florida with brand new gear and six weeks On-Ice instructions with Florida Panthers Players, Alumni and USA Hockey instructors.

Community Drives
Throughout the season, the Florida Panthers hosts a number of charitable drives to benefit the south Florida community, including food, toy, clothing, used youth sports equipment, book drives, etc. Fans are encouraged to bring out items at select Florida Panthers home games to help support each initiative.

Children's Hospitals Visits
Each season, Florida Panthers players, broadcasters, coaches, and Stanley C. Panther make their regular hospital visits. Players sign autographs, take pictures and distribute gift bags filled with Panthers memorabilia to all patients.

Future Goals
Future Goals is an online learning initiative that uses the fast-paced, exciting game of hockey as a learning vehicle for students to understand the real-world application of key science, technology, engineering, and Math (STEM) subject matters. The program also introduces students to significant future career opportunities that exist in STEM-related fields. Program, training and usage is FREE to all teachers/schools.

Cats in the Community
The Florida Panthers are committed to the South Florida community through a variety of initiatives from the Grassroots Marketing and Community Relations departments. The Panthers will deploy significant resources to engage South Florida you, families, current and potential fans and hockey players, to extend its reach through community-driven programs and fan outreach initiatives. GENERAL INFO

FLORDIA PANTHERS
ICE DEN

The Florida Panthers IceDen, is a 125,000 square foot, state-of-the-art recreational skating and entertainment complex that houses three ice rinks and was the first designed multi-sheet facility in Florida. This facility, which opened its doors in Nov. 1996, is also the primary practice facility for the NHL's Florida Panthers.

The Florida Panthers IceDen embarked on an additional expansion project during 2009 that saw an additional 50,000 square feet including a third NHL regulation size ice surface and a state-of-the-art training facility for the Florida Panthers. Along with the third sheet of ice, the Florida Panthers IceDen added a 16,000 square-foot training facility for the Florida Panthers. The training facility includes staff offices, a player's lounge, locker room, meeting room, media work room, theater and a gym.

The Florida Panthers IceDen has hosted a variety of prestigious events including the Sunshine State Figure Skating Championships, the Florida State High school Hockey Championships, the State Amateur Hockey of Florida Championships, Special Olympics Florida, NHL Sled Hockey Tournament, and the USA Hockey National Championships. The facility also hosts the Florida Panthers developmental camp, summer hockey schools, as well as international adult hockey tournaments. The Florida Panthers IceDen was also named by USA Hockey Magazine as one of the 10 coolest rinks in the United States and continues to be one of the busiest facilities in the country.

The expansion of The Florida Panthers IceDen continues the building's commitment to being one of the premier ice facilities in the country. The third sheet of ice is used primarily for the Florida Panthers however, other Panthers IceDen programs also utilize the rink: the Panthers Figure Skating Club, Florida JR Panthers Travel Youth Hockey League, Vanguard Youth Hockey League, and the Panthers Adult Hockey League.

In addition to public skating sessions, the Panthers IceDen also hosts curling, learn to skate programs, and other exciting on and off ice activities.
